

Active Transportation Advisory Panel (ATAP) **Thursday, February 22, 2018 @ 10:00 a.m.**

**Bryan-College Station Metropolitan Planning Organization
Conference Room
3833 S. Texas Ave., Bryan, TX 77802**

Agenda

- 1) Welcome and Introductions**
- 2) Regional Bicycle and Pedestrian Master Plan** – *Staff has incorporated the suggested changes from the January meeting and is hoping for final approval in order to move this item on to the Technical Advisory Committee*
- 3) Spring 2018 Outreach Event** – *Further discussion and planning, as necessary, for the Outreach Event scheduled for April 9th, 2018.*
- 4) 2026 Bicycle and Pedestrian Projects** – *In 2017 the Technical Advisory Committee programmed projects for construction out to 2026. The 2026 projects include both bicycle and pedestrian projects. The Texas Department of Transportation has informed the MPO that many bicycle and pedestrian projects are being accelerated across the state to tap into Category 2 funds that remain unspent. This will be a discussion of projects the ATAP members would like to move forward for potential acceleration.*
- 5) ATAP Bylaws** – *The ATAP has become an important part of the overall structure of the MPO. Therefore, staff has developed a set of bylaws regarding the structure, membership and functioning of the committee. An initial draft of the ATAP Bylaws will be distributed at the meeting*
- 6) Member Updates**
- 7) Adjourn**
