- 5) 2050 Bryan/College Station MPO Thoroughfare Concept
*A revised draft 2050 B/CS MPO Thoroughfare Concept was developed and will be presented to the public on May 15, 2017 from 5:00-7:00 PM at the Brazos Center. The TAC will review the map and any public comments received from the May 15 meeting, make modifications if necessary, and determine if the Concept should be recommended for adoption by the Policy Board. **Potential Action Required.** (See attachment.)*
- 6) Adoption of Transit Asset Management Performance Measures
*As part of the FAST Act, transit agencies and MPOs are required to establish performance measures for Asset Management of Transit vehicles. Brazos Transit District was required to develop and adopt these performance measures for vehicles, facilities, and equipment by January 1, 2017. Once the measures were adopted, the MPO must adopt regional performance targets to assist BTD in meeting these performance measures. The deadline for MPO's to establish these targets is June 30, 2017. **Action Required.** (See attachments.)*
- 7) FM 2818 Corridor Study
CDM Smith has submitted the draft Corridor Alternative Treatments Report. MPO staff is asking TAC members to review the report and submit any comments,

corrections, or additional detail requests to the Executive Director so that he can coordinate with the consultants on any necessary revisions. Deadline for submission of comments is May 25th. This is an informational item and no action is required. (See attachment.)
